ABOUT HERO

Hero Academy started in the garage of Jaime's grandpa, with a heavy bag, some jits mats, a few kettle bells and a dream of creating a family friendly, non-intimidating martial arts school for every body.

Today, Meego, Jaime and the team have created classes and programs for everyBODY. They create a welcoming and inclusive environment and taper classes and movements so that everyone that comes through their doors can be themselves while feeling brave, challenged and safe. They believe that there is a HERO in everyone – an individual who possesses everyday qualities that make them an inspiration.
